

About

Opportunity Peterborough

Opportunity Peterborough is the city's economic development company.

We're responsible for marketing Peterborough to businesses to attract new investment, engaging with local companies to support their growth and development, and leading the city's skills agenda to ensure our current and future talent pool is work-ready.

We also deliver a number of environmental projects to boost the local economy and support Peterborough's aspiration to create the UK's environment capital, and we coordinate the city's corporate social responsibility network, Side by Side.

Supporting our companies

We know our local businesses are the lifeblood of our city's economy, that's why we offer support to help them set up and grow.

- Free membership to Peterborough's Bondholder network
- Sector forums and events to boost growth
- Economic intelligence
- Business and innovation opportunities
- Guidance on finding finance
- Business mentoring
- Assistance with business property searches
- Support new companies to set up and settle in Peterborough
- A brokerage programme between local businesses and education providers to equip the city's young people with the right skill set for employment
